*It is wise to lay out a procedure for how disputes are handled in the church. Disputes happen. The culture of our nation has become quite litigious, and members cannot be required to yield up their legal rights to sue. However, by including this procedure in your bylaws, which all new members are to receive, and explaining the procedure in your membership class, members should understand how disputes are to be addressed. It is important for this procedure to be established before disputes occur.*
